### **3.1. Business Arising From the Minutes**

A councilor questioned if the letter of support from Council regarding the local group looking to help Ukrainian refugees was sent. CAO said the letter was sent out to Ministers.

Councilor asked what the timeline was to complete the ballfield fencing, CAO stated the installers would not come until the ground was dry so as not to damage the field. Awaiting Riptide and Sharks to have a meeting to review the fence placement.

## **4. DELEGATIONS, SPECIAL SPEAKERS AND PUBLIC INPUT**

None

## **5. REPORTS**

### **5.1. EMO Committee Report**

Chair Derek Cook stated the Committee will meet May 19th and Danny Kelly will be guest speaker to do a Risk Assessment for York, North Shore and Union Rd had theirs done a couple of years ago.

### **5.2 Water and Environment Committee Report**

No report, meeting coming up next week, April 20, 2022 1pm

### **5.3 Recreation and Engagement Committee Report**

Bookings are increasing at the centres, it will be a busy spring and summer. Volunteer recognition went to Craig and Emily MacDonald who spearheaded the North Shore outdoor rink preparation this winter. Their son Aiden also helped out. Easter Party coming up on Monday Apr 18, always looking for volunteers! Soccer and softball registration are underway with Sharks and Riptide.

### **5.4 Covehead and Tracadie Bay Enhancement Committee Report**

No report, next meeting April 27, 2022 at 7pm

### **5.5 Stanhope Peninsula Potable Water Research Committee Report**

CBCL stated they are working on gathering the data required, getting water test data from the province. Mayor stated this is a study update and analysis, all information will go back to Council for decisions on how to move forward.

### **5.6 CAO Report**

March and April are busy with budget and audit information. These are also the busiest times for new development so there is a lot of work with a new development officer just coming on board. Website transition and fencing projects have been started and working with ACOA to get funding extension. Councilor asked if there was any way the Development Officer could work more hours. Explained that we have him 3 days per week and he works one day each with Kingston and Miltonvale Park. Staff is working hard to have development permits turned around quickly however not all items are under the municipality's control. Mayor Watts thanked CAO for her role in helping get the new plan completed and bringing the whole municipality under one planning jurisdiction.

### **5.7 Finance and Infrastructure Report**

Next meeting April 25, 2022, 4pm

### **5.8 Planning Board and Development Permit Report**

Planning board has met twice since the last meeting, those items will be up a little later with rezoning and appointment of a new development officer. March approved permit list has been circulated.

Mayor noted that with the rezoning applications received there are many steps to the process and to

ensure things continue to move along smoothly he will be calling a few special meetings to ensure the processes do not get backed up.

***It was duly moved and seconded*** that all reports be approved.

To: Stephanie Moase <administrator@northshorepei.ca>, Shirley Beebe <recreation@northshorepei.ca>

As president of the *North Shore Sharks Soccer Club*, I'd like to request a funding grant for the 2022 Summer soccer season. We'll use the grant to help cover field maintenance and improvement (eg: reseeding) and field usage fees.

Expenses we will be covering with the grant

**Reseeding by Marshall's:** TBD

**Field usage fees:** approx 150 players x \$5 = \$750

Thank you

**HELP HOPE BLOOM**  
WITH YOUR LIFE-SAVING DAFFODIL DONATION.

Community Relationship Manager  
Rural Municipality of North Shore  
2120 Covehead Road  
York PE C0A 1P0

April 2022

Dear Friend,

Every day, 600 Canadians will hear the words, “You have cancer” — *and nearly half of us* will hear those words in our lifetime.

That’s why each spring, the Canadian Cancer Society (CCS) raises funds through our Daffodil Campaign and we count on donations from business and community leaders like you to support our vital work. But for three years in a row, our ability to raise critical funds to support people affected by cancer has been drastically reduced due to the pandemic. As we gradually return to in-person fundraising, we continue to rely on caring people like you to make a vital Daffodil donation to help those with cancer create more tomorrows and fewer goodbyes.

**I’m grateful for your past support and the difference you’ve made in the lives of people affected by cancer. Today, I am asking you to make a donation of \$55, \$65 or \$75 and help hope bloom for Canadians facing cancer.**

Your donation will help fund life-saving research that helps people like Michelle Burleigh, who was shocked to hear that she had advanced cancer, but even more shocked when the doctor told her *she had 24 hours to live* if she didn’t begin treatment immediately. Fortunately, her life was saved by research that was funded by CCS donors.

CCS also needs your help to fund crucial services — such as our Cancer Information Helpline — that provide trusted information and compassionate support so that no one in your community has to face cancer alone. Late diagnoses and delayed treatment appointments caused by the pandemic mean that more people are urgently looking for information and support.

Please send your donation today and include a message of hope using the enclosed notecard. We’ll share it with someone facing cancer right now. Your generosity and compassion will help hope bloom for people affected by cancer.

With thanks,

*Sandra Krueckl*

Dr Sandra Krueckl  
EVP, Mission, Information and Support Services

P.S. Please donate today and be sure to wear the enclosed daffodil pin to show your support for people facing cancer in your community.

Dear Mx. Moase,

Thank you for your submission to the PEI Climate Challenge Fund (CCF). This year, thirty-six applications were received seeking funds for more than \$2.8M dollars. With the strong interest in the program, the application evaluation process proved to be a competitive one. We regret to inform you that the proposed project, **Generator for Grand Tracadie School Centre**, has not been awarded funding under the 2022-2023 CCF program.

Please feel free to contact us at [ClimateChallenge@gov.pe.ca](mailto:ClimateChallenge@gov.pe.ca) if you have any further questions.

Warm regards,

Hope
