

Muti Use Recreational Site Development (RFP)

The Rural Municipality of North Shore (RMNS) is seeking submissions from companies to provide construction project proposals for design, preparation and realisation of the surface to be used for the Multi-Use Recreational site. This site will be used for pickle ball and other recreational activities. The site is located at 2120 West Covehead.

All bidders will be invited to a mandatory job showing. At this time, bidders may visit and examine the site and all conditions thereon and/or within. All tenders shall take into consideration all such conditions as may affect the work under the contract. No claims for extra at the time of the tender will be accepted by the RMNS.

Proposals shall be submitted by completing/meeting all requirements set forth in Appendix A (and attached image).

Proposals shall be submitted on time, in a sealed envelope, marked on the outside Rural Municipality of North Shore RFP- Multi Use Space, C/O COA, 2120 Covehead Road, West Covehead, PE C0A 1P0. It is the responsibility of the respondent/bidder to deliver the seal bid to the Municipal office by **May 29, 2025 at 2:00pm. *Late submissions will not be accepted and will be returned to the respondent unopened.***

The successful Respondent will be required to provide proof of general construction Insurance prior to the commencement of the work. Please note that Respondents (companies) must have professional engineering capacity.

Construction Schedule: Work to be completed on or before **June 28, 2025.**
